

# Taste test

Name: \_\_\_\_\_

Date: \_\_\_\_\_

- 1 Blindfold a friend.
- 2 Ask them to taste a sample of each food and say whether they like it or not.
- 3 Record your results in the table labelled Test 1.
- 4 Use tally marks to record how many people like or dislike each food.
- 5 Now repeat the same taste test, but this time ask the person who is blindfolded to hold their nose so that they cannot smell the food.
- 6 Record your results in the table labelled Test 2.

You will need:

- clean food samples set out on separate plates
- clean spoons and material to act as blindfold.

## Test 1

Food	Like	Dislike
