

Name:

### Apple Orchard

This is an apple orchard. I went to the apple orchard with my mom. I got to pick apples. My mom had to help me reach the apples.

I picked red, yellow, and green apples. I like to eat apples. You can make apple pie with apples. Apple pie is my favorite.

It was cold at the apple orchard I had to wear a sweater to keep warm. It is fun at the apple orchard!

Mark the correct box/boxes for each statement.
