

Beautiful Day- U2

The heart is a bloom

Shoots up through the stony ground

There's no

No space to rent in this town

You're out of

And the reason that you had to care

The traffic is stuck

And you're not moving

You thought you'd found a

To take you out of this place

Someone you could lend a.....

In return for grace

It's aday

Sky falls, you feel like

It's a beautiful day

Don't let it get away

You're on the

But you've got no destination

You're in the mud

In the maze of her

You're lovin' this town

Even if that doesn't ring

You've been all over

And it's been all over you

It's a beautiful day

Don't let it

It's a beautiful day

Touch me

Take me to that other

Teach me

I know I'm not a hopeless case

See the world in green and

See China right in front of

See the canyons broken by cloud

See the tuna fleets clearing the sea out

See the Bedouin fires at night

See the oil fields at first light and

See the bird with a leaf in her

After the flood all the colors came out

It was a beautiful day

Don't let it get away

Beautiful

Touch me

Take me to that other place

Reach me

I know I'm not a hopeless case

What you don't have you don't need it.....

What you don't know you can it somehow

What you don't have you don't need it.....

Don't need it now

It was a beautiful day
