

Reading

Peter is going to the store after work. He needs to buy some pieces of clothes. He is thinking of buying a pair of pants, a dress shirt, two pairs of shoes and a white pair of flip flops. Peter really loves going shopping. He usually goes at least once a month. Peter is extremely attractive, tall

and slim. Peter is not married, but he has a girlfriend who lives in another town. He is a manager at a Mechanic shop.

1. Now you must select what peter is going to buy at the store. Select the right picture according to the text.
