Fill in the gaps with the correct word:

- 1) At a store you can usually pay with _____ or credit card.
- 2) Do you give your children _____ weekly or monthly?
- 3) What was your _____ at your last job?
- 4) When you pay cash, you sometimes get some _____ back.
- 5) What do you do with your monthly _____?

Money, money, money!

In the following text, find the words that mean:

- 1) money in notes and coins
- 2) money you get back when you buy something
- 3) money you get paid every year for working
- 4) money you get paid for doing a job
- 5) money parents give their children

I don't have a very high salary, but it's enough. I receive my wages every two weeks and the money has to be very well calculated in order to last. I can't afford to give my kids pocket money. Instead, since I always pay with cash, I collect the change I get in return and I put in a piggy bank for them. They are always really happy at the end of the month, when they get to take the money out and count it all.
