nurse
ambulance
hospital
doctor (GP)
GP surgery
pharmacy
pharmacist
dentist
patient
receptionist
appointment
midwife

Write the correct words:

1. The vehicle that takes you to hospital in an emergency.
2. The person who takes your prescription and gives you medicine.
3. The building you go to for a special check-up or operation.
4. A date and time you are given by reception to see a doctor or nurse.
5. The person who helps you when you give birth to a baby.
6. The person who answers the phone and makes appointments.
7. The doctor that you go to when you first get ill.
8. The person who gives you your medication and looks after you in hospital.
