

Journal Writing: Shopping

Shopping is an important part of adult life.

- Do you enjoy shopping? Why or why not?
- Where do you like shopping better—in your first country or in Canada? Why?
- Do you shop online?
- Do you ever buy secondhand things?
- Do you shop around for the best prices?

Write a paragraph of four to six sentences about your thoughts and feelings about shopping. You don't have to answer all the questions; just the questions you want to answer.
