I think "By the way" is for finishing an idea. What do you think?
Actually, I think it's changing the topic because it's like "por cierto..."
You're right.

Changing the topic	Finishing an idea
That reminds me, . . .	
Before I forget , . . .	To finish what I was saying , . . .
	Before we move on , I'd like to say...
Switching gears a bit,	Before you go on , let me just say...

By the **way**, . . .

Could I say one more thing (about). . . (F)

Back to what I was **saying**, . . .

As/Like I was saying **before**, . . .

Oh! While I **remember**,

Speaking of (that), . . .
