Harry Potter is a series of \_\_\_\_\_ novels written by British author J. K. Rowling. The novels chronicle the life of a young wizard, Harry Potter, and his \_\_\_\_\_ Hermione Granger and Ron Weasley, all of whom are \_\_\_\_\_ at Hogwarts School of Witchcraft and Wizardry.

The main story concerns Harry's struggle against Lord Voldemort, a dark \_\_\_\_\_ who intends to become immortal, and subjugate all wizards and "muggles", a reference term that means non-magical people.

Since the release of the first \_\_\_\_\_, Harry Potter and the Philosopher's Stone, on 26th June 1997, the books have enjoyed immense popularity, critical acclaim and commercial success worldwide. They have attracted a wide adult audience as well as younger \_\_\_\_\_, and are often considered cornerstones of modern young adult literature.

A combination of many \_\_\_\_\_, including fantasy, drama, and the British school story (which includes elements of mystery, thriller, adventure, horror and romance), the world of Harry Potter explores numerous themes. According to Rowling, the main \_\_\_\_\_ is death. Other major themes in the series include prejudice, corruption, and madness.
