

The Killers - Here With Me

Wheels is/are turning
I remember when you/they were mine
Just to/a reach you
Baby, I'd stand in line/time
There're/There's another world
They're/We're living in
Today/Tonight

There's another chest/heart
Who's/That's fading in
The light/dark

(CHORUS)

Don't want your picture/photo
On my computer/cell phone
I need/want you here with me
I don't/doesn't want your memory
In my mind/head, no
She/I want you here with me

Spent the summer/winter
Just layin' out in the moon/sun
Time seems to move/run so slowly
Why/When you're taking it as it comes
(Make/Taking it as it comes)
Maybe we were just too old/young
(Maybe we were just too young/old)

Your body/soul was tan and your hair
was long
You showed me your teeth/smile and
my cares were gone

Falling in love/pieces filled my soul
with fright
You said "Come on babe, it'll be
alright/fight"
Than/Must have been a fool till the
bitter end
Before/Now I hold on to hope
That I'll have you back tonight/again

He/I'd bargain and
I'd fight/bright
But there's another world/place
You're living/falling in
Today/Tonight

(CHORUS)

Well, I saw you in a restaurant/club
The another/other day
So/And instead of walking towards you
I ran/walk away
(Ran/walk away)
And he'll/I'll keep on waiting for you
For you/we to come around
Come around to/and say

I don't want your picture/photo
On my cell phone/camera
I want you here/out with me
Don't want/need those memories
In my head/mind, no
I want/need you here with me
