4 Wysłuchaj dialogu i uzupełnij luki.

A: So, Mark, how do you like living in the city?

B: I simply love it. My house is \_\_\_\_\_ minutes from the city centre.

A: Isn't it \_\_\_\_\_ to live there?

B: Oh, no, my street is really safe. Well, as safe as anywhere else, I guess.

A: But you can forget about \_\_\_\_\_

B: I'm afraid you're right about that. I think old factories are responsible for this.

A: How about \_\_\_\_\_? Is it any good?

B: It's not bad, I think. There's a bus stop not far from my house, so I can't complain.

A: And how about the places where you can \_\_\_\_\_?

B: Oh, we have a few peaceful \_\_\_\_\_ where you can rest in silence, far from the busy streets. There are \_\_\_\_\_ where you can eat something, cinemas and theatres. There's a \_\_\_\_\_ near my house, where I go swimming or play badminton with my friends at \_\_\_\_\_. If you like art, you can visit \_\_\_\_\_ museums and art galleries. And we've got a big shopping centre in the main street, so I can go shopping whenever I want!

A: Sounds like a \_\_\_\_\_ place after all.
