

4° LENGUAJE MUSICAL: EL PUNTILLO

1. Coloca al lado de cada figura o silencio con puntillo su equivalencia

Ejemplo: $\circ \cdot = \boxed{\circ + \text{d}}$

$\text{d} \cdot = \boxed{\phantom{\text{d} + \text{d}}}$

$\text{d} + \text{d}$

$\text{d} = \boxed{\phantom{\text{d} + \text{d}}}$

$\text{d} + \text{d}$

$\text{r} \cdot = \boxed{\phantom{\text{r} + \text{r}}}$

$\text{r} + \text{r}$

$\text{r} = \boxed{\phantom{\text{r} + \text{r}}}$

$\text{r} + \text{r}$

$\text{r} \cdot = \boxed{\phantom{\text{r} + \text{r}}}$

$\text{r} + \text{r}$

2. Realiza las siguientes sumas de figuras y silencios, teniendo en cuenta el puntillo.

$\circ \cdot + \text{d} \cdot = \boxed{\phantom{\circ \cdot + \text{d} \cdot}}$

$\text{r} \cdot + \text{r} = \boxed{\phantom{\text{r} \cdot + \text{r}}}$

$\text{d} \cdot + \text{d} + \text{d} = \boxed{\phantom{\text{d} \cdot + \text{d} + \text{d}}}$

$\text{r} \cdot + \text{r} = \boxed{\phantom{\text{r} \cdot + \text{r}}}$

$\text{d} + \text{d} = \boxed{\phantom{\text{d} + \text{d}}}$

$\text{r} \cdot + \text{d} + \text{d} = \boxed{\phantom{\text{r} \cdot + \text{d} + \text{d}}}$

$\text{r} \cdot + \circ \cdot = \boxed{\phantom{\text{r} \cdot + \circ \cdot}}$

$\text{r} \cdot + \text{d} = \boxed{\phantom{\text{r} \cdot + \text{d}}}$
