Information about what happens in the world comes to us in many ways. Television and radio are two important ways of the news. They get the news out faster than the

newspapers and magazines, and they don't have to be read. Television and radio stations broadcast the news several times each day. In America, there are the news programmes every hour. People can choose the favourite TV programmes, such as sports, films, fashion, news, etc. People who cannot read get the news from television or radio easily.
