Dear Teen Lives,

The Top 3 Annoying Things My Big Sister Does

Number 1 Tells me what to do all the time

My big sister says things like, 'It's your turn to help Mum and Dad with the dinner – can you go and do it now?' It's bad enough that she orders me around, but she never says 'please' or 'thank you' either! And she uses this horrible pretending-to-be-an-adult voice. It's so irritating!

Number 2 Takes my things without asking

Every time I look in my jewellery box to choose something to wear, the necklace or the earrings I want are not there. Guess who's got them! When I ask her about it, she says 'What? I don't know what you're talking about.' I don't know why, but she doesn't return them on the same day, or even the day after. She seems to like waiting for about a week before they appear back in my jewellery box like magic!

Number 3 Gives stupid answers when I ask for advice

I think many big sisters like giving advice – they have more experience and enjoy teaching younger sisters about life. Not mine! I never ask for advice about school work – I don't need to. When I ask about boys, though, she says 'You don't need to know. You're much too young!' Or she tries to be funny and says 'I don't know. Go and ask a doctor!'
