Reading Comprehension Exercise:

Answer:

6. Dear Diary :

It was the sports day of our school today. There were many people coming to our school, including my parents and my friends. They came here to see the soccer game. For the soccer game, my classmates and I have spent a lot of time practicing. We really wanted to be the champion this year. At first, everything went well. Our team kicked the ball into the net twice. However, in the second half of the game, our best player broke his arm and couldn't be in the game anymore. They kicked in two balls, so the game went into overtime . We had a penalty shoot-out pk because no team could score in overtime. At last, our team kicked in one more ball than the other team. This means that we won the champion. But our team was not happy because our teammate hurt seriously. After the sports day, we visited him at the hospital. I hope he could get better soon.

( )(1)What is the reading mainly about?

(A) A visit to hospital.

(B) The soccer practice after school.

(C) The loser of the soccer game today.

(D) The soccer game on the sports day of the school.

( )(2)Why did the winning team NOT feel happy at the end?

(A) It was rainy on the sports day.

(B) One of the players broke his arm.

(C) The players were sick after the game.

(D) The players family didn't go to their soccer game.

( )(3)What is true about the reading?

(A) The team lose the game.

(B) The team didn't win in the first half.

(C) The team went to a restaurant after the game.

(D) A penalty shoot-out happened after the overtime.

7. Do you know words have different characteristics ? If you have taken a closer look at the words used around you in daily life, you can see there are a lot of different shaped words. These different shaped words are called font.

Different fonts are suitable in different situations . For example, Times New Roman is used in more formal places; Roboto can be used in titles and doesn't give people a sharp feeling; Alora has round tips and elongated hands and feet; therefore, it is good to use on festival posters.

The history of fonts was known many years ago. In Taiwan, there is also a famous word walk activity. It is an activity held by some Taiwanese teenagers who are interested in fonts. They will take tourists on a tour in a historical street that shows Taiwan s font history.

( )(1) According to the reading, what is font?

(A) A historical alley. (B) An activity in Taiwan.

LIVEWORKSHEETS

8. Helen Keller was deaf and blind after she recovered from a serious illness . Her parents were afraid that Helen would never be able to live a normal life, so they found Anne Sullivan to give Helen some special help.

Helen always ate with her hands and threw her food everywhere, and her parents let her do that. Ms. Sullivan believed that Helen should be taught to eat nicely. After some time, Helen s parents were surprised that Helen could eat with a fork at the table!

Ms. Sullivan thought that Helen must learn to read and write. It was difficult and tiring to teach Helen the meanings of words, but Ms. Sullivan knew that it was possible. When Helen finally learned her first word water, she and Ms. Sullivan were both very excited. They hugged each other and cried. Thanks to Ms. Sullivan, Helen could read and type. She then even learned to talk. It was like a miracle to Helen s parents.

Helen became a successful speaker and book writer. Her speeches and books helped a lot of people like her around the world.
