

FIREFIGHTER

My name is Tom. I have been a firefighter for nine years.

I decided to become a firefighter because I wanted to help people when they are in danger.

For this job, you must be very fit and strong. I keep fit by jogging for one hour every day. I also go to the gym daily and eat healthy food.

I never get scared when I am fighting a fire. I am too busy thinking about the fire and how to put it out and save whoever is in the middle of the fire.

Last week I went to a notice and saved a dog and its owner. The dog was hiding under a bed and its owner trapped in the kitchen. Pets hide because they are scared of fires. Sometimes it is hard for us to find them.

I love my job.
