Hello!

My name is Monica Geller.

I'm in my early twenties. I rent a flat in NYC (New York City) which is a very cosmopolitan place. I live with Rachel who is my best friend. I work as a chef and my job is usually very stressful but I love it!. I am perfeccionist, bossy and very competitive. I've got a brother called Ross.

Hi there!

I'm Rachel Green and I'm 23 years old.

I was brought up in Long Island but I now live with Monica in a beautiful flat in NYC. I come from a rich family. I love fashion and I love going shopping but my parents decided not to give me any more money. So, I had to look for a job. I work as a waitress at the café Central Perk.

Hello!

My name is Phoebe and I live in NYC.

I love playing the guitar and I even write my own songs although people say they are not very good. I love singing, too. I work as a masseuse. I am a very positive person and I normally get on well with everybody. Ross can be a bit of a pest sometimes, though.

I come from a working-class Italian-American family. I share an appartment with Chandler now. I work as an actor in a soap opera called Days of Our Lives and I play a doctor.
I love food, especially pasta and I always want to try Monica's dishes! She's an excellent cook!

Hi there!

My name is Chandler Bing.

I am an only child. My mum writes novels and my dad works in Las Vegas. I live with Joey and we love watching TV together. I work in a large international company. I earn a lot of money but I hate my job. I've got a very sarcastic sense of humour maybe that's why I'm very unlucky with women.

Hiya!

I'm Ross, Monica's older brother.

I work as a palaenteologist in the Museum of Natural History in NYC. I'm very intelligent but a little bit goofy. I am a very rational person and I think that Phoebe is very eccentric. Chandler is my best friend since college. We used to play in a band called Way/No Way. I've always liked Rachel.
