

Here's a little songwrote

..... might want to sing it note for note

Don't worry, be happy

In every life..... have some trouble

But when you worry, make it double

Don't worry, be happy

Don't worry, be happy now

Ain't got no place to lay head

Somebody came and took bed

The landlord say rent is late

..... may have to litigate

Hey I give you..... phone number

When you worry, call me, I make you happy

Ain't got no cash, ain't got no style

Ain't got no gal to make smile

'Cause when you worryface will frown

And that will bring everybody down

Now there is this song wrote

I hope you learned note for note, like good little children

Now listen to what I said, inlife expect some trouble

But when you worry, you makedouble

Put a smile in face, don't bring everybody down like this

..... will soon pass, whatever it is
