

Blue _____
White _____
Walked into the room
You know you made my eyes burn
It was like James Dean
For sure
You're so fresh to death and sick as c-
cancer
You were sorta Punk Rock
I grew up on Hip Hop
But you _____ me better
Than my favorite _____ and I know
That love is mean (uh oh)
And love hurts (uh oh)
But I still remember that day we met in
December, oh baby

CHORUS

I will love you 'til the end of time
I would wait a million years
Promise you'll _____ that you're mine
Baby, can you see through the tears?
Love you more
Than those bitches before
Say you'll remember (oh baby)
Say you'll remember, oh baby, ooh
I will love you 'til the end of time

Big _____
Gangster
Said you had to leave to start your life over
I was like, "No please, stay here"
We don't need no _____
We can make it all work
But he headed out on Sunday
Said he'd come home Monday
I stayed up waitin', anticipatin' and pacin'
But he was
Chasin' (uh oh)
Paper (uh oh)
Caught up in the game
It was the last I heard

CHORUS

You went out every night
And, baby, that's alright
I told you that no matter what you did
I'd be by your _____
'Cause I'ma ride or die
Whether you fail or fly
Well, shit, at least you tried
But when you walked out that door
A piece of me died
Told you I wanted more
That's not what I had in mind
I just want it like before
We were dancin' all night
Then they took you _____
Stole you out of my life
You just need to remember

CHORUS
