The other day (1) _____ the Internet asking for (2) _____ new skin cream. It was an anti-aging product. How is it possible for a cream or lotion to stop us looking old? I don't think any (3) _____ make us look younger. I certainly don't believe cosmetics companies that say their expensive creams (4) _____. They just want to (5) _____. Why do people believe them? How do they know their creams work? They did not (6) _____ thousands of people over 50 years. I think if a person uses an anti-aging cream for 50 years, they (7) _____ a year younger when they are 60. This means it's a huge waste of money. Only healthy living can keep us looking younger.
