And I wanna kiss you,

I'm just so tired to

I wanna cry and

But all my tears

I wanna love
have been used up
make you feel alright
share my nights

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up

And if somebody hurts you, I wanna fight
But my hand's been broken one too many times
So I'll use my voice, I'll be so fucking rude
Words, they always win, but I know I'll lose
