

In the USA, \_\_\_\_\_ apartments; in the UK they're called flats. They are a \_\_\_\_\_. I don't particularly like them. I don't think it's good for so many people to \_\_\_\_\_ together. It's not good for people to live \_\_\_\_\_ each other. I don't understand how people can live \_\_\_\_\_ second floor. It's not natural to live in the sky. The thing \_\_\_\_\_ about apartments are the lifts (Americans say elevator) and \_\_\_\_\_ no garden. More and more people are moving into apartments. This \_\_\_\_\_ with overcrowding. There aren't enough spaces \_\_\_\_\_ car, there's nowhere to throw your rubbish and you have \_\_\_\_\_ to reach your floor. Give me a little house with a little garden any day.
