My grandfather takes me to the city.  
I don't want to go.

Our hotel has a noisy elevator.

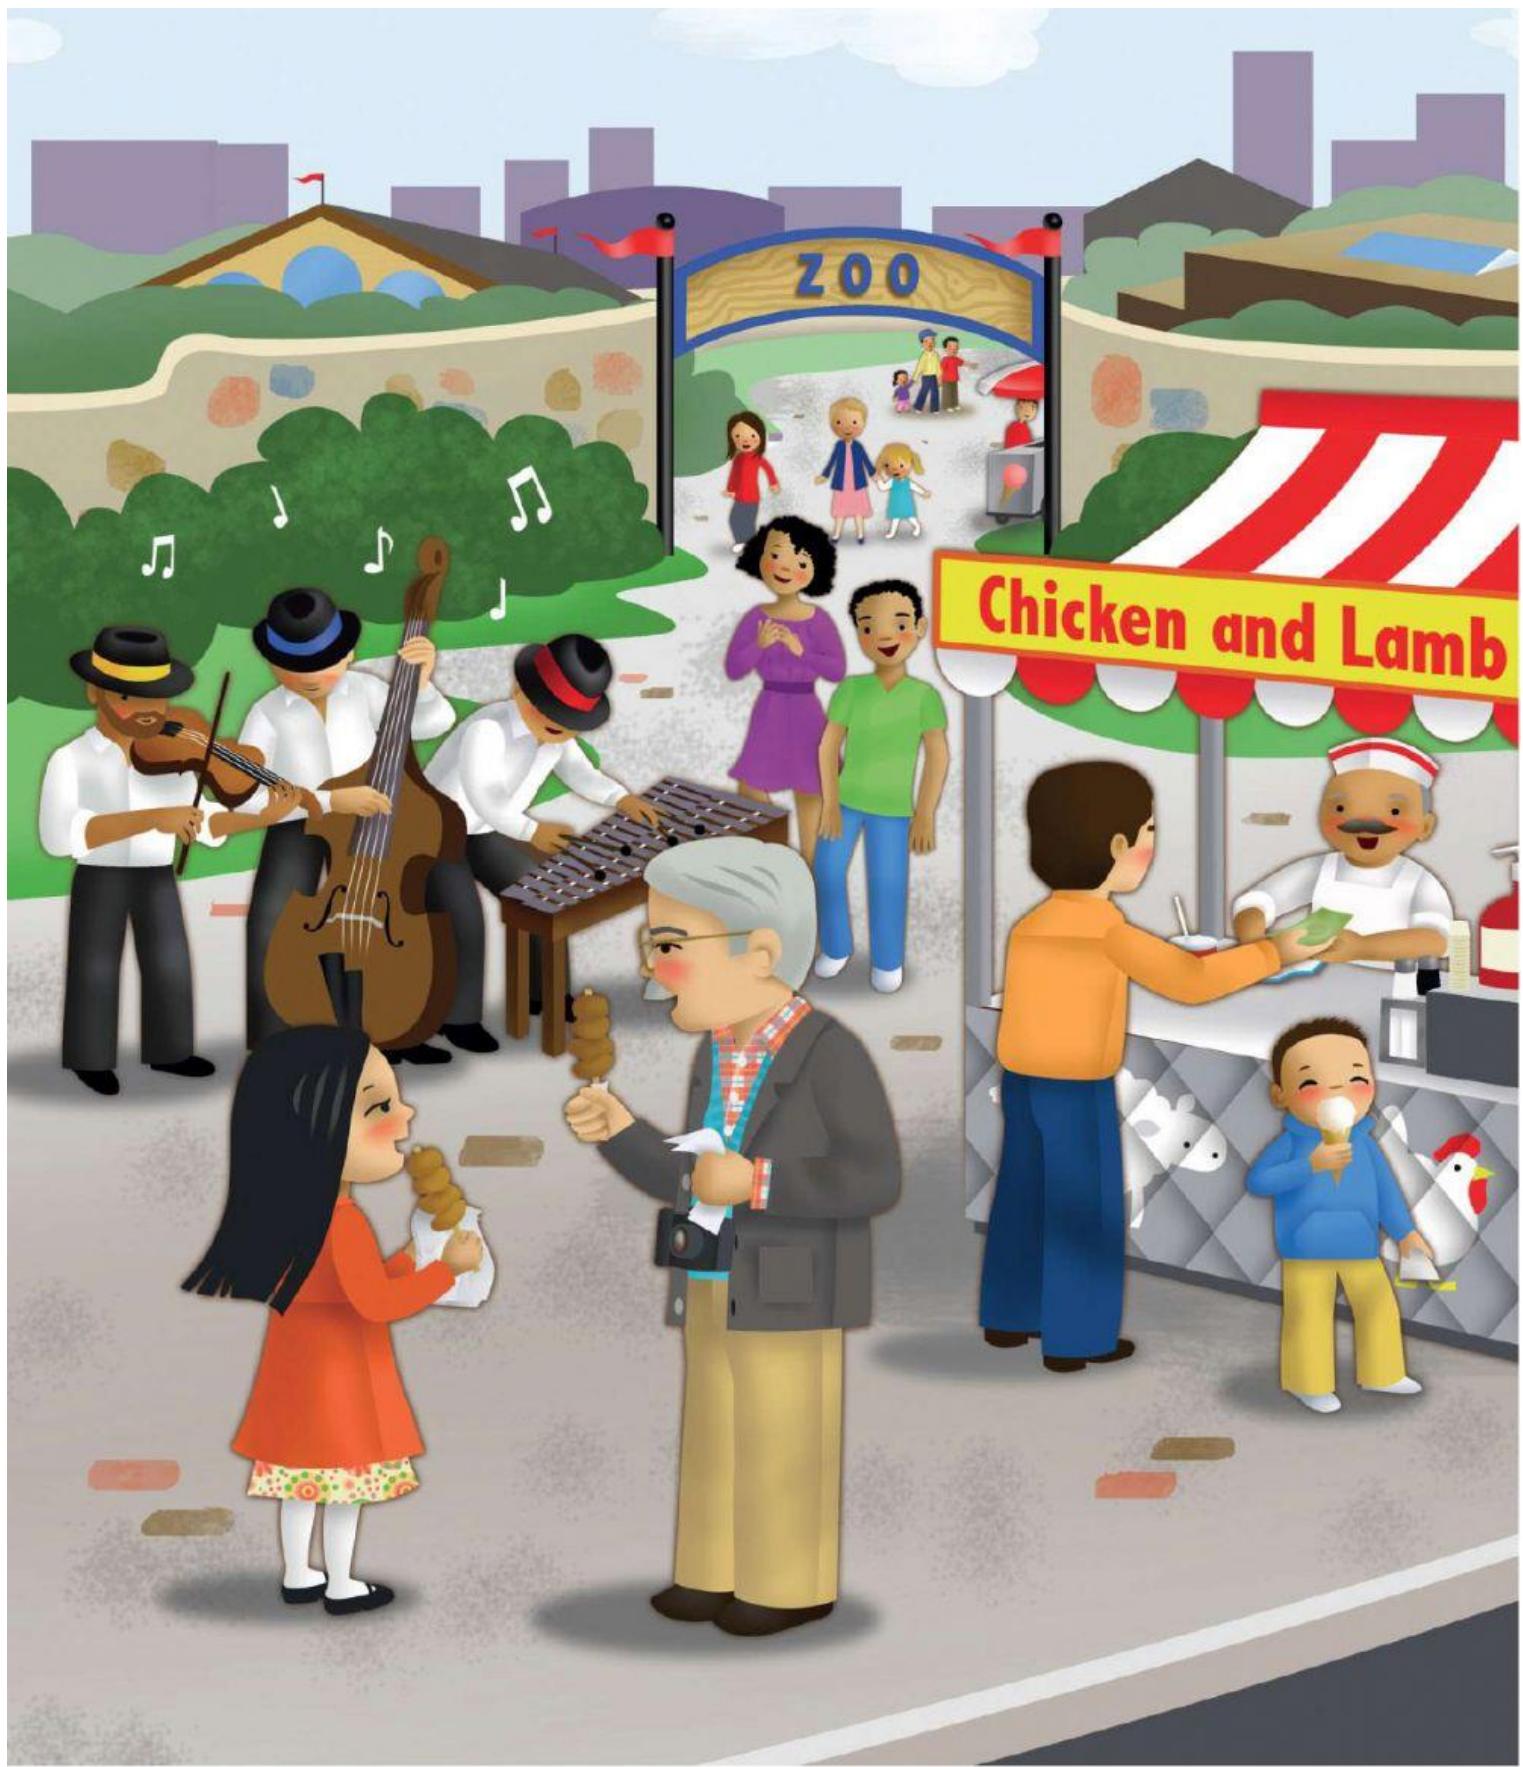

The man's whistle is loud.

We are at a bus station.  
The lady in a uniform is kind and helpful.

We go to the zoo.  
We see rhinos, gorillas, and monkeys.

Look! A food stall.  
We eat chicken and lamb for lunch.

Then we go to a famous castle.  
It is square.
