before, after, but, because

before = happens first (I learnt to swim before I went in the sea.)
after = happens second (He arrived after everyone had gone home.)
but = when two things are not the same, 1 thing is good 1 thing is bad (We arrived at the airport but we had forgotten our bags!)
because = to give the reason for something (I am happy because I am going on holiday.)

I must get to school _____ the school gates shut.

She wanted to get a dog _____ her mum said no.

You can play in the park _____ you have finished your homework.
