VIII. Read the passage, then decide if the statements that follow it are True or False.

Dear Minh,

I am writing to introduce to you a language school where you can improve your English. Instead of learning on your own, as you are doing now, you should learn to speak English with others. The Academy of Language offers you a good and friendly environment to practice your English. They also have well-qualified teachers. There are classes at different levels in the afternoon and evening, and courses begin in the first week this November. If you are interested, you can phone 38765432 for further information.

Best of luck!

Hoang

1. Minh is now learning English with a tutor.
2. The teachers at the Academy of Language are young and inexperienced.
3. Learners can take courses in the morning.
4. People who want to attend classes there can phone the school to get information.
5. People contact to get information on 38765432

IX. Read the passage then answer the question:

With the development of science and technology, more and more energy is used everyday. Nowadays, many rural areas in Viet Nam have been electrified, and more electricity is needed. If people waste energy, it will quickly run out. Students at school should learn how to save energy, for example, they should turn off electric lights when they leave their classrooms.

Moreover, we may waste electricity at home if we use a lot of light bulbs. By not wasting energy, we will save a lot of natural resources such as coal and oil.

1. Why is more energy used everyday?
.....
2. What is more needed when many rural areas have been electrified?
.....
3. What problem occurs if people waste energy?

.....
4. What should students do, according to the passage, to save energy?
.....

.....
5. What sort of natural resources will be saved if we do not waste energy?
.....

LISTENING: You are going to listen to a conversation between a university admissions officer and a prospective student. The recording will be played twice. Questions 1-5. Complete the form below using **NO MORE THAN THREE WORDS AND/OR NUMBERS**.
