Hi! My name's Giang, and I'm from Ho Chi Minh City. We have two seasons here, dry and rainy. In the dry season, it doesn't rain and the trees turn brown. We go for picnics and play outside because we know we won't get wet. In the rainy season, it rains a lot. The rain comes very fast and people can get very wet. We take raincoats with us when we go out. We don't know when the rain will start. It doesn't last long, and it isn't cold. The weather in Ho Chi Minh City is warm all year round!

Hi! I'm Long, and I'm from Ha Noi. We have four seasons here. In the spring, the trees and plants grow. It's very beautiful and everyone loves to play outside. Mountain School

Thi, 10

I live on a farm in the mountains. It is a long way from the town. I walk for an hour to get to school. I get up early every day! First, I walk down the hills to get to school. Then, I have my lessons. Next, I walk home and help my parents on the farm. Finally, I do my homework in the evenings. Some of my school friends live 10 kilometers away from me!

Sa Pa is in the north of Viet Nam. A lot of families live on rice farms. The farms are far from towns or cities, so the children walk a long way to school. They have lessons in the mornings and help parents at home in the afternoons. They are very good students!
