"Bad Habits"

2 Listen and fill in the gaps

Every time you come _____, you know I can't say no
 Every time the sun goes down, I let you _____ control
 I can _____ the paradise before my world implodes
 And tonight had _____ wonderful

3 Listen and order the lines

My bad habits lead to wide eyes stare into space
 Nothin' happens after two, it's true, it's true
 I got nothin' left to lose, or use, or do
 Conversations with a stranger I barely know
 And I know I lose control of the things that I say
 Swearin' this'll be the last, but it probably won't
 Yeah, I was lookin' for a way out, now I can't escape
 My bad habits lead to late nights endin' alone
 My bad habits lead to you

Every time you come around, you know I can't say no
 Every time the sun goes down, I let you take control
 I can get the paradise before my world implodes
 And tonight had something wonderful

My bad habits lead to late nights endin' alone
 Conversations with a stranger I barely know
 Swearin' this'll be the last, but it probably won't

Every pure intention ends when the good times start
 Fallin' over everything to reach the first time's spark
 It started under neon lights and then it all got dark
 I only know how to go too far
