June 7,

Our Mystery Shack proved to be a very interesting place. Today Soos found a secret room that had a lot ____ wax figures inside. Later Stan told us that the wax museum was one ____ the most popular tourists attractions. There was only one figure missing so Mabel decided to create a new wax figure. She is fond ____ art. I told her to create something ____ real life so she made a wax figure ____ grunkle Stan. Stan made a grand re-opening of the wax museum and people ____ all town came there. But it didn't go well. People became angry because there weren't any free pizza as it had been promised. The evening was even worse because we found a ruined wax figure ____ Stan. Our local policemen were sceptical about my detective abilities so I and Mabel decided to investigate this case by ourselves and we made the list ____ suspects. We found an ax in Mystery Shack so we decided that Manly Dan is our first suspect. Well, he wasn't the criminal but ____ him I learned that we had to look for a left-handed person. Toby Determined was ideal suspect ____ my point of view but he happened to have an alibi. We eventually solved the mystery. I can say that I changed my point ____ view about Sherlock Holmes. Now I am a little afraid ____ him.

Signing off for tonight
