Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct word or phrase that best fits each of the numbered blanks.

Agriculture is the world's most important industry. It provides us with almost all our food. It also (21)_____ materials for two other basic human needs – clothing and shelter. (22)_____, agriculture provides materials used in many industrial products, such as paints and medicines. About half of the world's workers are employed in agriculture – far more than in (23)_____ industry.

Agriculture is one of the world's oldest industries. It began about 10, 000 years ago in the Middle East. By that time, certain Middle Eastern tribes had discovered how to grow plants from seeds and how to raise animals in captivity. Having mastered these skills, they could begin to practise agriculture. As agriculture developed and farm (24)_____ increased, fewer people were needed to produce food. The non farmers could then develop arts, crafts, trades and other activities of civilized life. Agriculture therefore not only greatly (25)_____ the food supply but also made civilization possible.

 25. A. caused B. added C. provided D. influenced

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the questions.

In the last 50 years, the media influence has grown widely with the advance of technology. First was the telegraph, then the newspaper, the radio, the television and now is the Internet. We live in a society that depends on information and communication to keep moving.

What we need to **be aware** is that most of our decisions, beliefs and values are based on what we know for a fact, our assumptions and our own experience. In our work we usually know what we have to do based on our experience and professional knowledge. However, in our daily lives, we rely on the media to get the facts and figures about what is important and what we should be up to date with.

As a result, we have to put our **trust** on the media as an authority to give us the needed information. However, the influence of mass media on our life, work and society is so big that we should know how it really works to select the right pieces of information.

26. According to the passage, what is the most recent type of mass media?

A. TV B. newspaper C. the Internet D. telegraph

27. In our work, what do we rely on in order to know what to do?

A. experience B. authority C. study D. technology

28. What can be used to replace "be aware" in the second paragraph?

A. have B. understand C. depend D. consider

29. Which of the following is closest meaning to "trust" in the last paragraph?

A. value B. belief C. assumption D. experience

30. In order to have the right information, we need to _____.

A. understand how the mass media works B. make good decisions on the mass media
 C. get the most current news and facts D. use our experience and professional knowledge
