Note

Don't forget the third person s in the present simple of verbs, for example in He works in the training department.

I work in the production department. We make the company's products.

She works in the training department. She organizes training courses.

They work in the sales department. They sell the company's products.

C Departments 2

You can also talk about the department that people work in, like this:

- I'm in production.
- She's in training.
- They're in sales.
- He's in accounts. He gets the money from customers and pays everyone that the company owes money to.
- I'm in human resources (HR). I find new people to work for the company.
- She's in marketing. She looks after the company's website.
- They're in research and development (R&D). They find new products for the company to sell.
- He's in finance. He goes to banks to find the money that the company needs.
