

2C Simple present: questions

We use questions in the simple present to ask about things that are facts, or regular routines. We form questions in the simple present with *do/does* + subject + base form.

Do you like soccer?

Does she live in a big apartment?

Does he work on the weekend?

Do they go out a lot?

We form short answers with *Yes/No*, + subject + *do/does/don't/doesn't*.

No, I don't.

Yes, she does.

No, she doesn't

2.12	I / you / we / they	he / she / it
?	Do they live in the city? Do we have more time? Do you work at a café?	Does he live with you? Does it have a yard? Does she work at a hotel?
Y/N	Yes, I do . / No, I don't .	Yes, she does . / No, she doesn't .

If we want more information, we put a question word (*what, where, when, why, who, how*, etc.) before *do/does* at the start of the question.
