Listen again. Find three mistakes in each text and correct them.

Marisa:

She likes summer best because her cousins from ~~Portugal~~ ~~America~~ often come to stay. She likes sunbathing. They all like water sports, such as surfing and waterskiing. Marisa loves Carnival time too because there's a party that lasts three days.

Kalaya:

She says that in Thailand they have two seasons. She likes winter best because it is not too hot – it's warm in the day and cold at night. She loves the Flower Festival in March. She goes there with her parents, and they all sing and dance.

Noah:

Canadians hate their cold winters, but Noah says that winter is his favorite season because he goes skiing and snowboarding. Sometimes he and his brothers still go skiing in May and June. Summer in Canada is warm but not very long.
