Eye of the Tiger

Risin' up, _____ the street
Did my time, took my chances
Went the distance now I'm back on _____
Just a man and his will to survive

So many times it happens _____
You change your passion for glory
Don't lose _____ on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger
It's the _____ of the fight
Rising up to the challenge of our rival
And the last known survivor
Stalks his _____ in the night
And he's watching us all
With the eye of the tiger

Face to face, out in the heat
Hangin' _____, stayin' hungry
They stack the odds still we take to the street
For the kill, with the skill to survive

It's the eye of the tiger
It's the thrill of the fight
_____ to the challenge of our rival
And the last known survivor
Stalks his pray in the night
And he's _____ us all
With the eye of the tiger

Risin' up, straight to the top
Had the _____, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

my feet
too fast
your grip
thrill
guts
watching
back on
tough
prey
Rising up
