I went to visit my grandparents, they have a farm with many animals, if I go to the farm, I help with the animals and I love them, but if I get very dirty I have to bathe more than twice and I almost don't like that, anyway I told my grandparents that this time if I help with the animals, they will have to give me one as a present so I can take it to the city and take good care of it. When I arrived at the farm, my grandparents received me very well, they gave me a lot of food, because I would spend a lot of energy, so if I eat everything, I could help them all day. We start with the piglets, they are very tender, if we give them food, they are happy, then we continue with the chickens, if we collect all the eggs, we can eat later and finally the cows, they are my favorite animal and if we milk them very well, we will have milk for the whole week. Anyway, I love spending time with my grandparents and being able to share with the animals.
