The Cell Zone™ is an **idea** from Salemi Industries. The **key** behind this sound-resistant cell phone booth is that it lets you make and receive cell phone calls without disturbing anyone. It's a **solution** to the increasing problem of making calls in noisy public spaces where you need somewhere quiet and private to talk. With its ergonomic cylindrical shape, the Cell Zone™ is a product where **cutting-edge** is combined with a stylish design. It's made from two steel cylinders fitted inside each other. The space between is filled with a soft, sound-absorbing material that acts as an additional sound barrier. One of the **major** of the Cell Zone™ is that it can be located almost anywhere — airports, nightclubs, restaurants, libraries, sports stadiums, hotels, shopping malls or even on the street. The exterior of the booth can also be used for advertising, making it a **commercially-viable** .
