# MEET ME AT OUR SPOT

When I \_\_\_\_\_  
I \_\_\_\_\_ stay up  
I slept \_\_\_\_\_ the day, fuck  
I'm \_\_\_\_\_ younger  
But when I'm \_\_\_\_\_  
I'll be so much \_\_\_\_\_  
I'll \_\_\_\_\_ for longer  
Meet me at our spot

Caught \_\_\_\_\_  
Baby, are \_\_\_\_\_ for the ride?  
I just wanna look into \_\_\_\_\_  
I just wanna \_\_\_\_\_ the night, night, night  
When we take a drive  
Maybe we can hit \_\_\_\_\_  
\_\_\_\_\_ by the lights  
Man, this must be \_\_\_\_\_

When I go to sleep  
I can't even \_\_\_\_\_  
Something's \_\_\_\_\_ of me  
\_\_\_\_\_ taking over me  
But when I'm older I'll be \_\_\_\_\_  
I just got a drunk text (Meet me at our spot)

[Chorus]

Meet me at our spot  
Got \_\_\_\_\_ I wanna show you  
Meet me at our spot  
They can't \_\_\_\_\_ there  
Meet me at our spot  
Got \_\_\_\_\_ I wanna show you  
Meet me at our spot  
They can't \_\_\_\_\_ there

[Chorus]
