My class is taking a field trip to a campsite next week. I am very excited because we are going to learn how to pitch a tent. If the weather is nice and cool, we can even start a camp fire and roast some marshmallows in the fire. We will leave for the trip at a quarter past eight and get to the campsite by ten o'clock.

I have a new book to read on the bus about the nature. I prepared a bag with all the things that I would need: a torch, a sleeping bag, a compass, and some dried food.

Our teacher will show us how to identify poisonous animals and plants in the woods. The trip will teach us about nature and what it is like to live without many things from the modern world. We will go to a waterfall. To go to the waterfall, we need a map. The map indicates that we have to walk straight on, then turn left at the signpost and pass the river.
