Comedy Kids

Do you enjoy watching comedy? Do all your friends at school think you tell great jokes? Then why not come and see what's happening at Comedy Kids?
Comedy kids owns comedy clubs in several countries that are run just for young people age 10-15. They're real clubs with real comedians, who are just as familiar with working in adult comedy clubs as they are working with children. But don't take our work for it – come and see for yourself!
The Comedy kids company was set up by John Winterton, who says that no-one had thought of being a stand-up comedian for young people until he came along. In fact, his act quickly became so popular that he soon found lots of other comedians who wanted to join his company and perform for families and young people. And if you think, as many others boys, that a young people's comedian leaps on stage in a brightly-coloured costume and big red nose – think again. John usually appears dressed in a cool black jacket and trousers – more Like a Hollywood movie star than a circus clown!
If you're having a party at home Comedy kids can come and perform for you there at your party – just ask! Of course, it's not the same as performing on stage, so we're always looking for comedians in the clubs who are good at working with small numbers of young people – and we've discovered there aren't many of them about! But the ones we have found are brilliant. Your very own comedian will also help you to tell your guests some jokes and silly stories – and they can join in too, if they want! It'll be fun – and very different from any party you've ever had before!
Here at Comedy kids, it's not just about the adults telling the jokes. We also have very short 'open spots' where young people get the chance to perform. But we've yet to find someone who can do that without preparation, so we've set up the world's first 'Comedy Classes' to teach young people how to tell jokes on stage. At the moment our classes are only monthly, but we're planning to start a number of others over the coming year. So if you want to be a comedian but don't want to wait until you grow up, this is where you can do it. And if you're creative but feel you're lacking in the confidence to speak up, we can certainly help. We'll listen to what you want to do, and try to make it happen.
So what are you waiting for? Come and join Comedy kids!

SUMMER JOBS

Camp North is an organisation that runs over 12 000 children's summer camps in the USA. All the camps are in the countryside and some are in areas of outstanding natural beauty. Different types of camps are available. While some are designed mainly for sports activities, others are suitable for children with different interests. Accommodation is provided at the majority of camps but some children attend during the day and return home in the evening.

Camp North offers a variety of summer jobs for young people. Some allow you to work directly with children teaching sport, dancing or arts and require relevant qualifications. In these roles you help to run activities and take care of children after organised events have finished.

If you do not want to work with children, there are other jobs available such as office work, laundry work and food preparation. You do not have responsibility for any children in these roles, so you often have more free time in the evenings.

You can make paper or online applications for summer camp jobs. To complete a paper application you need to write to us requesting a form, which you then need to complete and return. We will send you a list of interviewers located in your area and you need to select one to arrange a convenient time for an interview. You can apply online by visiting our 'How to Apply Section' on our main website. Here you can fill out your application form and select an interviewer.

There are certain general requirements that all applicants must meet: you must be 18 years of age or older, speak fluent English, and be able to provide two references. It is also essential that you are available for work for a minimum of nine weeks, and be able to leave for the USA no later than June 28 and return no earlier than August 24.

If you are successful at interview, we will inform you immediately where you will be working in the USA. We will also help you with your visa application. This involves attending an interview at the US embassy in your home country. You will also have to pay the embassy fee for visa applications. The fee is currently $100 but can increase without notice.

We arrange your free return flights and your transfer by bus from the airport to your summer camp. While you are working at the camp you receive pocket money and free accommodation and food. You may choose to travel around the USA once your work has finished. If you inform us, we can arrange a later return flight.
