2. Read the text and choose the correct answers.

Hello, I am Tom.

At weekends, I usually get up late in the morning. I always have breakfast with my family in the kitchen. Then, I help my parents to do housework.

In afternoons, I meet with my friends. We play football together. Then, I go home and have lunch at 2 pm. I always do my homework after lunch. I sometimes read books, too.

I watch TV every evening. My favourite TV program is 'Kids Sing'. Then, I take a shower and go to bed. I never go to bed late.
