Direction:

1. Enjoy the song!
2. Listen the song carefully!
3. Fill in the blank parts of the song!

I close my eyes and I can see  
The world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's 1 before  
But it 2 like home  
They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design  
'Cause every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh a million dreams for the world we're gonna make  
There's a house we can 3  
Every room inside is filled  
With things from far away  
The special things I 4  
Each one there to make you 5  
On a rainy day  
They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Runaway to a world that we design

Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh a million dreams for the world we're gonna make

6 big, however small  
Let me be part of it all  
7 your dreams with me  
You may be right, you may be 8  
But say that you'll bring me 9  
To the world you see  
To the world I close my eyes to see  
I close my eyes to see  
Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
A million dreams, a million dreams  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make  
For the world we're 10 make

In your opinion, What is the social function of the song?
