

### Activity

You are going to visit with your classmates the park of “Stavros Niarchos Foundation” and you are asked to create a poster of park’s regulations. Before you do that, you have to understand what these pictures mean. Tick the signs that are most likely to meet there. Then, write below what the rules mean. Use those structures (“Don’t + Verb”), (You can/can’t + Verb), (“it’s right to...”+ “it’s wrong to”).

Example:

1. Don't light fires 2. You can't light fire 3. It's not right to light fires.

(You can smoke at a park)
