SUMMER VACATION

Last summer **Joel and Sarah traveled to England** for two weeks. **They traveled in August** and stayed in a college with other students in Brighton, the South of England. It was really fantastic because **they talked to a lot of students** of different nationalities and learned a lot about other cultures and customs. Of course, **they learned a lot of English** too because **they practiced it every day**. In the morning **they studied a little**, **they asked the teacher to speak slowly** when necessary and answered her questions.

In the afternoon **they visited different places** or played different sports at the college. It was so much fun. **They often walked down to the beach** with their new friends and played. In the evening they were tired so they sometimes watched videos or played board games.
