Dear Ms Smiley,

My name is Susan Lee. I'm writing to enroll (viết đăng kí) in your online poetry class. I'm from Singapore. I am in grade 4 at Singapore National school. I was born on the sixth of January, 2008. My favorite subject at school is science. In my free time, I like playing with animals. I have three cats and two dogs. Sometimes, I take photos of them. I have two big albums about their pictures. I really want to learn how to write nice words in verse (vần thơ) about them.

I can study 2 days a week, my favorite days are Monday and Thursday. I am ready to join the class after my examination, from June the 6<sup>th</sup> onwards.

I can't wait to study with you.

My best regards,

Susan
