

# SET FIRE TO THE RAIN. (by Adele)

I let it fall, my \_\_\_\_\_  
And as it fell, you rose to claim it  
It was \_\_\_\_\_ and I was over  
Until you kissed my lips and you saved me  
My \_\_\_\_\_, they were strong  
But my knees were far too \_\_\_\_\_  
To stand in your arms  
Without falling to your \_\_\_\_\_. But...

**A** There's a side to you  
That I never knew, never knew  
All the things you'd \_\_\_\_\_  
They were never true, never true  
And the games you'd play  
You would always win, always \_\_\_\_\_  
But I set fire to the \_\_\_\_\_

**B** Watched it pour as I touched your \_\_\_\_\_  
Well, it burned while I cried  
'Cause I heard it screaming out your \_\_\_\_\_  
Your name  
When laying with you  
I could stay there  
Close my eyes, feel you here \_\_\_\_\_  
You and me together, nothing is better. 'Cause

**A** **B**

**C** I set fire to the rain  
And I threw us into the flames  
When we fell, something died  
'Cause I knew that that was the last time  
The last time

Sometimes I wake up by the door  
That heart you caught must be waiting for you  
Even now when we're already over  
I can't help myself from looking for you

**B**
