LANGUAGE ARTS WORKSHEET – SOUND OF K OR KW

Read the following story. Write on the lines on the right the words that have the **sound of k**.

A Shaggy Bird

The kiwi is a stocky, tailless bird about the size of a chicken. It has shaggy feathers that look like hair. Its wings are small and it cannot fly. Its beak is long, with nostrils at the tip. It has a keen sense of smell, which helps it find food. This makes the kiwi unique, because most birds have a poor sense of smell.

If you would like to visit this bird, seek it in the thick, wet forests of New Zealand. Keep your eyes open and walk quietly, though. These birds are afraid of people.
