B. Choose the correct word from the Quizlet to complete dialogue.

Lisa: How's everything, Amy? How do you like living on campus?

Amy: The <sup>1</sup> \_\_\_\_\_ is really great, and my roommate is so nice. I've made a lot of friends already.

Lisa: How are you managing budget-wise?

Amy: Not too bad, I have a <sup>2</sup> \_\_\_\_\_ that covers all my <sup>3</sup> \_\_\_\_\_ and I got some <sup>4</sup> \_\_\_\_\_ to help pay for accommodation and books and stuff.

Lisa: That's good! How're your classes going?

Amy: Well, <sup>5</sup> \_\_\_\_\_ year is pretty tough. We have to study at least three hours a day on top of classes. But hopefully <sup>6</sup> \_\_\_\_\_ year will be easier. So far I haven't missed any <sup>7</sup> \_\_\_\_\_ on my <sup>8</sup> \_\_\_\_\_ so I'm not behind on anything. If I have a problem, I can always speak with my <sup>9</sup> \_\_\_\_\_.

Lisa: Are you still planning to go to <sup>10</sup> \_\_\_\_\_ once you finish your degree?

Amy: Yes, that's the plan anyway!
