READING

7) Read and answer.

Sally recently moved to a new school. She likes it better than her old school. In fact, she thinks it's the best school. **The classrooms** are bigger and cleaner than the classrooms at her old school. **Every classroom has** at least three computers in it. The teachers are great. Her English teacher is the nicest and **most helpful** teacher of all the teachers. The library is also really amazing! There are tons of great books, magazines and movies. The library has the most comfortable couches where students can sit while they read. The cafeteria food is more delicious than the food at her old school, and more delicious than the food she eats at home, too! Sally's **favourite dish** at the cafeteria is salad. **Sally's classmates** are friendlier than the kids at her old school. Sally made lots of new friends during her first week of school. She is so happy she moved to this school!

a) What are **the classrooms** like at Sally's new school?

b) **Are there computers** in the classrooms at Sally's new school?

c) Which **teacher** is the **most helpful**?

d) What is Sally's **favourite dish at the cafeteria**?

e) What are **Sally's new classmates** like?
