b. Gêné par le masque de son déguisement, l'un des invités du Pink Flamingo n'a pas bien vu ce qui se passait pendant la soirée. Peux-tu l'aider à rectifier les passages erronés dans son témoignage ?

4 boys, disguised as Villagers, entered the nightclub. One of them, Big Ben, was looking

 for a girl called Rosalind. When he found her, he also discovered Ty the Tiger, one of

 his enemies. Ty ran away. Don Capulet, Ty's father, defended Ty by saying that Ty did

 not cause any trouble.
