EXAM SKILLS

12 **Answer the Writing Task 1 below.**

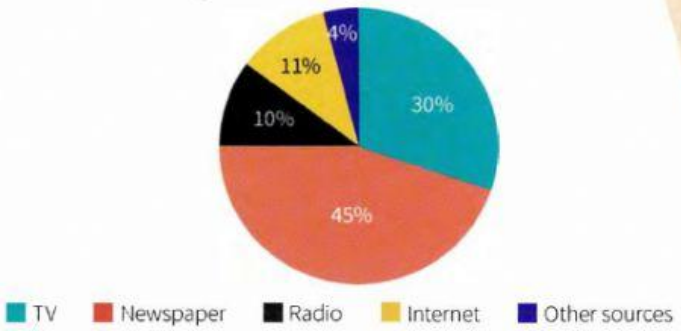

You should spend about 20 minutes on this task.

The pie charts show the first place Germans and Nigerians go to in order to access the news in a typical week.

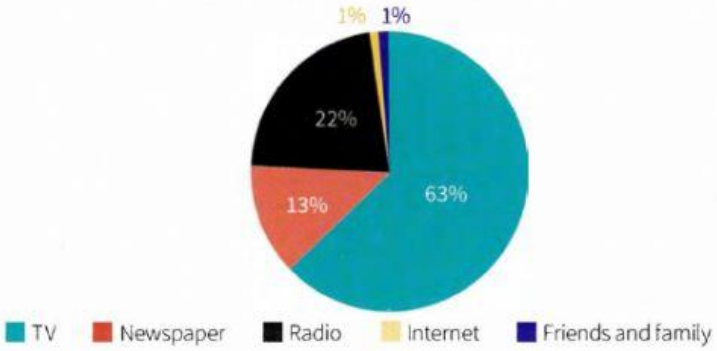

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words.

First place Germans go to for their news

First place Nigerians (urban areas only) go to for their news

For some questions, use the given words to complete them. For the others, fill in each blank with ONE WORD.

considerable	percentage	comprise	Ranked	perspective
constituting	ahead	opposed	compare	majority
