figura	Área lateral	Área total
 A triangular prism with a triangular base. The base is a right-angled triangle with a hypotenuse of 10mm and a base of 6mm. The height of the triangle is 9.5mm. The length of the prism is 14mm.		
 A triangular prism with a right-angled triangular base. The base has a vertical side of 15cm and a horizontal side of 8cm. The hypotenuse is 17cm. The length of the prism is 9cm.		

Figura	Volumen
 A square-based pyramid is shown. A dashed vertical line from the apex to the center of the base is labeled 6cm. A dashed horizontal line from the center of the base to one of the base edges is labeled 4cm. The base is a square with side lengths of 4cm.	
 A rectangular-based pyramid is shown. A dashed vertical line from the apex to the center of the base is labeled 3cm. The base is a rectangle with a length of 7cm and a width of 5cm.
